

Sydney Veterans Lodge

91 DARCY RD, WENTWORTHVILLE

Built and Funded by Veterans for Veterans

FallenHeroes.org has been created by a small group of Veterans with the Aim and commitment to be there for the Fallen in times of need.

A Fallen Soldier, Airman or Sailor is not always Killed or Wounded In Action... We understand better than most that coming home is sometimes harder than stepping off.

We strive to help those who need a helping hand, shoulder or ear, and their families.

The proceeds of our Fundraising efforts is helping towards the establishment of the Sydney Veterans Lodge. The establishment of this facility is aiming to help those modern veterans with the struggles of mental health, homelessness and the prevention of suicide.

Your Darkest hour does not need to last a lifetime.
